Dear Sir/Madam,

My name is Mr.Sharif Gambo, I am a staff working with the Bank Of Africa here in Ouagadougou, Burkina Faso. I want you to help me to claim the sum of Twenty Two Million Five Hundred Thousand Dollars (\$22,500,000) from our bank here. This fund was deposited in the bank here by a foreign customer who died accidentally alongside with all members of his family many years ago. Nobody has applied as the beneficiary of this fund till now. If you are interested, you will provide a good bank account where the fund will be remitted to because i want the fund to be transferred out from our bank here to a foreign bank. Please contact me immediately for us to start the transaction either by Phone or Email. Further details about the fund will be given to you after receiving your reply. Please know very well that we have to hurry up our actions because the bank authority here has a plan to deposit the said fund into the treasury of the Central Government of this Country as an unclaimed fund, if nobody applies for this fund before the next bank audit here, which will begin very soon. I am waiting for your urgent reply.

Please send your reply to my PRIVATE mail box.
